

1st September, 2021

Dear Participants,

CHANGE FROM PHYSICAL TO VIRTUAL OF THE 1ST ASRIC CONFERENCE ON ENGINEERING SCIENCES

6th – 8th September 2021, Cairo, Egypt

The Conference Organizing Committee of the 1st ASRIC Conference on Engineering Sciences appreciates your acceptance to participate in the conference. However after due consultation on the prevailing issue of COVID-19 with the recent reports of World Health Organization and the African Centre for Disease Control on COVID-19 showed that over 200,000 infected cases per week in Africa is the average for last month. Where AU Member States were advised to observe relevant interventions among of which is the non-pharmaceutical interventions that includes social distancing, mask wearing, elimination of crowed gathering, meetings, among others.

The Conference Organizing Committee agreed to hold the conference virtually on the scheduled dates to ameliorate the challenges imposed. You can participate actively in the conference sessions, and present your paper or addresses in the relevant sessions assigned.

Link for participation is shared by the covering email while the work programme to be shared shortly. For further information, communicate with Ms Adaeze Akaduchieme via asric.ohi.engconference@gmail.com copy austrc@africa-union.org.

We deeply regret any inconveniences on this conversion from physical conference to virtual might have caused to you.

Please accept the assurances of my highest consideration.

Thank you.

Yours sincerely

01/09/2021 

Dr. Eng. Ahmed Hamdy (PhD)
Executive Director AU-STRC
Executive Director ASRIC
